Dear Parents/carers,

RE: Peak District residential trip JUNE 2021

I am writing to you because unfortunately, we have had to change our plans for the Peak District residential trip coming up in June.

We are very disappointed to share with you that the provider of this trip has informed us today that they are not able to fulfil this booking. The booking had been made with Entrust, who run all of Staffordshire Outdoor Education and are highly accredited & approved, however they have been let down by the venue. We are as disappointed as you will be, but we have prioritised finding an alternative.

We have been offered a 2 night, 3-day camping experience but this will be at the closer venue of Shugborough. This event has been offered to us at the same cost that we had agreed for Hen Cloud, even though the cost should be slightly higher. However, the only dates available are Monday 12th July- Wednesday 14th July, which is the week before we break up for the Summer.

Although we are disappointed that this has happened, in true Etching Hill style, we will be making the very best of this situation and embracing the alternative that we have been offered as this will no doubt still be a memorable and exciting event, albeit in a different venue than our original plan.

We sincerely hope that you will continue to support this event for your children before they leave Etching Hill, but please feel free to contact our school office to discuss further should you need to.

Thank you for your continued support.

Mrs M Smith
Headteacher
